BEAUTIFUL EVERBLOOMING ROSES

For your selection we are listing hardy everblooming Roses in varieties which have been tried and found worthy of planting in your garden.

Our Roses are all two-year, field-grown, budded stock. They will bloom for you. The plants will come to you pruned ready for planting, transportation charges prepaid.

Prices on all varieties except where noted—Cash with order.
Extra heavy plants, \$2.95 per doz.—\$18.50 per 100, prepaid

TERMS. Cash with order. Remit by check, post office or express money order. No order accepted for less than \$1.00.

WARRANTY. All plants guaranteed to be true to name, and to live and bloom.

DISCOUNTS. A discount of 10% is allowed on all orders for over \$1.00 if received by Nov. 1st; 5% discount is allowed if received by Nov. 15th.

Send us your order NOW. Early planting means better success in the way of vigorous bushes and more blooms.

You will probably have in mind some particular varieties not listed herein. If so, write us regarding them, as we have many others.

NOTICE!—Place your order now. Good Roses are scarce. We will ship them to you when wanted. Certain good varieties are short—order early.

TEXAS CENTENNIAL

Price 60c. each, 3 for \$1.50, doz. \$6.00

NEW PATENTED ROSE—Patent No. 162

Texas Centennial is a bright vermilion-red Rose with a light tone of gold at the base of petals, and with a lighter red at center of the bloom. It gradually tones to a deep, rich pink at the bloom ages. Bud is long pointed, opening to a large moderately fragrant flower on a long strong stem. Holds its color in the sun better than any other red Rose we have ever known.

TO WHOM IT MAY CONCERN:

The writer is personally acquainted with the management of the Tytex Rose Nurseries and consider them to be responsible business men, and in our dealings with them have found that they have a high regard for their integrity and do not believe that they would be associated with any transaction that could in the least be criticised as unethical.

They are doing splendid business here and have grown rapidly, and we consider their affairs conducive to success.

Yours very truly,
W. A. POUNDS, Jr.
Executive Vice President
